**Section L) Clinical Illnesses (Identified by a doctor)**

[Interviewer Introduction:] Now I would like to ask you some questions about illnesses which you might have had that were identified by a doctor. If you do not understand the question, please tell me. As before, your answers are confidential.

[Interviewer: \*if the participant is a woman and has children living with her presently, ask about her health conditions and those of her children. If the participant is a married man, a single man, or a woman without children, only ask the participant about his or her health conditions.\*]

[For each clinical illness, ask:] Has a doctor ever told you that you have ( ) (\*or any of your children have\*) ( )?

YES [Ask the person:] Do you/Does he or she still have ( )?

[Then ask the person:] Did you/did he or she receive treatment?

NO [Go to next illness]

YES [Ask the person:] Who provided the treatment for the illness?
