

SEC. 213. MODEL OF INTERSTATE COORDINATED ENROLLMENT AND COVERAGE PROCESS.

(a) In General- In order to assure continuity of coverage of low-income children under the Medicaid program and the State Children's Health Insurance Program (CHIP), not later than 18 months after the date of the enactment of this Act, the Secretary of Health and Human Services, in consultation with State Medicaid and CHIP directors and organizations representing program beneficiaries, shall develop a model process for the coordination of the enrollment, retention, and coverage under such programs of children who, because of migration of families, emergency evacuations, natural or other disasters, public health emergencies, educational needs, or otherwise, frequently change their State of residency or otherwise are temporarily located outside of the State of their residency.

(b) Report to Congress- After development of such model process, the Secretary of Health and Human Services shall submit to Congress a report describing additional steps or authority needed to make further improvements to coordinate the enrollment, retention, and coverage under CHIP and Medicaid of children described in subsection (a).
